

## 19th Doubles Results - \$3110 payout

All the action took place at Side Pockets Sports Café in St. Charles, Mo. It was Saturday April 26, 2014. Initially 62 teams signed up leaving only two first-come-first-serve open slots. Those spots went fast and three teams were turned away for not signing up by the deadline. The team of Vanna Leavy and John Bissell were turned away twice when two teams were inadvertently omitted from the board when they should not have been. But luck went their way a third time and they shot their way to the 7/8th slot. Way to hang in there Vanna & John. The action began about 20-minutes late but once it began it was non-stop until the final '8' ball was dropped around 9:15pm.

With the addition of those late entry teams the payout went up from \$3020 to \$3110 with first place taking home a full Grand, with a capital 'G'.

Following are the 8 teams that took away part of that \$3110.

Winner:	John Johnson & Andy Lucas	1000	& Trophies	From the top half of the tournament
Second:	Mark Voerg & Tom Lowery	700	& Trophies	board the team of Rudy Riva & Ron
Third:	Rudy Riva & Ron Deloney	500		Deloney shot their way to the final two.
Fourth:	Matt White & Dale Waters	350		These guys finished second from the last event and
5/6:	Joe Hodge & Perry Coats	190		showed they were not giving up for the gold.
5/6:	Bryan Davis & Larry Seisner	190		From the lower half of the board another couple of
7/8:	Scott Carter & Steve Bagnard	90		guys, Mark Voerg & Tom Lowery, were making a
7/8:	John Bissell & Vanna Leavy	90		statement of their own by pulling into the second

spot. Both these teams (Riva & Deloney and Voerg & Lowery), were assured of no lower than third place. But this is why the games are played. When they met for last team on the undefeated side Mark & Tom clipped Ron & Rudy and waited.

Meanwhile, John Johnson and nephew Andy Lucas began by winning their first three matches, the third against brother and Uncle Don Johnson and Tom Wallace, before being sent to the one-loss side by Ron & Rudy. After landing there John and Andy put together another 5-match winning streak to get to the championship match with Voerg & Lowery. Johnson and Lucas would have to beat Mark & Tom twice to take the title. They took the first set 2-0 and then edged out a 2-1 win the second set that extended their winning streak to seven matches and putting them into the winner's circle.

Congratulations to all that participated making the 19th Doubles event another success.

See you next time; Rusty, Dave, Roger, Dustin & Jay
